1. INTRODUCTION

1.1 About MRWED

MRWED Training and Assessment is Australia's leading provider of Trainer Training. Currently the organisation services Australia through dedicated Training Centres in Brisbane, Sydney and Melbourne. It conducts regular training internationally throughout Asia, Africa and North America.

Since 2000, MRWED has delivered more than 1250 public courses and conducted hundreds of customised programs for corporate clients. Additionally, the organisation strongly supports the development of self-paced learners through progressive RPL programs and Online Learning backed by a dedicated Learner Success Team. To date, over 25,000 participants have successfully completed a MRWED learning program.

MRWED delivers courses which support the growth of Learning and Development professionals through all stages of their career from those beginning their journey as trainers and assessors, senior trainers and assessors through to those holding more senior positions such as training managers and RTO manager. We deliver this via our popular Certificate IV in Training and Assessment (TAE40116) as well as Diplomas of Vocational Education and Training (TAE50116) and Training Design and Development (TAE50216) and a range of non-accredited workshops and webinars. MRWED are also the exclusive Australian Licensee for Bob Pike's Train-the-Trainer Boot Camp, the world's most respected train-the-trainer program, which has now had more than 100,000 attendees globally.

1.2 Registered Training Organisation (RTO)

Registered training organisations (RTOs) are those training providers registered by ASQA (or, in some cases, a state regulator) to deliver VET services.

While RTOs are diverse, ranging from private training companies (such as MRWED) to schools, TAFEs and adult community education colleges, they are all eligible to deliver nationally recognised training and issue the qualification/s listed on their scope of registration.

RTOs are recognised as providers of high quality, nationally recognised training, leading to qualifications, which are highly valued by employers and sought after by those developing their career.

- National Vocational Education and Training Regulator Act 2011;
- Work Health and Safety Act 2011;
- Anti-Discrimination Act 1991;
- Privacy Act 1988;
- Copyright Act 1968; and
- Children and Young Persons (Care and Protection) Act 2008.

MRWED operates in accordance with each of these legislative and regulatory requirements, where appropriate, incorporating them into MRWED policies and procedures.

3.2 Work Health and Safety

MRWED is committed to providing a safe work place and learning environment for MRWED personnel and participants. MRWED ensures strict compliance with workplace health and safety legislation by educating all personnel during their induction process and by ensuring trainers incorporate WHS considerations when planning and delivering training and when undertaking assessments.

MRWED expects all personnel and participants to accept responsibility for a safe work / learning environment. Personnel and participants are expected to follow a set of safety standards, which are clearly outlined in the personnel induction process and at the commencement of each face-to-face course. These standards are designed to:

- Prevent accidents and ill health caused by work / learning conditions;
- Protect from any health hazard which may arise out of work or conditions in which work / learning is carried out; and
- Maintain a workplace environment designed to satisfy needs for safety, health and wellbeing at work / study.

These standards, and this policy, provides for the following process:

- Establishing and maintaining work / learning practices which are safe, and which minimise risk to health;
- Allowing all levels of MRWED personnel to be responsible and accountable for minimising the potential for workplace injury to, and illness of, themselves and participants within their area of responsibility, and where possible, mitigate the risk.
- Ensuring participants are advised of the WHS requirements of their training programs and supervised accordingly.
- Ensuring the provision of appropriate instruction, information and training for MRWED personnel and participants.
- Training, placing and supervising all personnel to enable the safe performance of work / learning duties; and
- Developing and implementing preventative strategies which include workplace and job design, the identification of hazards in the workplace / learning environment and taking appropriate remedial action to control any hazards.

Any reports of sickness, accidents or workplace incidents, whether MRWED personnel or participant-related, are to be recorded on an incident report and forwarded to MRWED's CEO.

3.3 Equal Employment Opportunity and Anti-Discrimination

MRWED is committed to Equal Employment Opportunity (EEO) and Anti-Discrimination concepts and legislation.

MRWED strives for an equal environment, based solely on merit, in an effort to ensure the absence of discrimination on the grounds of a person's race, colour, language, ethnicity, political or religious convictions, gender, marital status, impairment, age, family responsibility, family status, etc.

This equality ethos is designed to actively contribute to an enjoyable, challenging, involving, harmonious work and training environment, where each individual has the opportunity to progress to the full extent of their ability.

MRWED is aware of EEO and Anti-Discrimination principles and practices, as they apply specifically to education and training, and will subsequently observe the following points:

- Characters (and their names) used in case studies, exercises and examples must be free from stereotypes and likelihood to cause offence;
- Material and trainers must discourage and prevent polarisation of participants;
- Training program content, processes and/or activities must include all participants and avoid giving an advantage to any one individual or group over another;
- Verbal and non-verbal language must be non-discriminatory;
- Humour must be non-discriminatory; and
- Training Program materials such as session plans, videos, handouts, graphics, cartoons, computer screens must be non-discriminatory and unlikely to offend.

Where a participant has an impairment which may preclude him/her from successfully completing a MRWED course and presenting for competency assessment, MRWED will endeavour to counsel the person and provide, where possible, a pathway whereby they are able to undertake remedial work in order to successfully apply for inclusion into the course in the future.

3.4 Workplace harassment

It is the policy of MRWED to provide a work and training environment that is free from all forms of harassment and intimidation. MRWED is also committed to uphold State and Commonwealth laws pertaining to harassment and EEO.

Harassment, bullying or discrimination against MRWED personnel or participants by any person under MRWED's responsibility, is unacceptable and will not be tolerated. MRWED recognises the rights of all personnel and participants to work and learn in an environment free from harassment, bullying and unlawful discrimination.

Harassment is defined as behaviour, which is directed at an individual, or group, which is:

- Offensive, belittling, humiliating, intimidating or threatening
- Unwelcome and unsolicited
- Is of the type which:
 - Is usually unreciprocated
 - Can usually be expected to be repeated
 - Makes the work or study environment unpleasant, humiliating or intimidating for the individual or group
 - Can make it difficult for effective work or study to be done

- When a requirement, which is the same for everyone, has an unfair effect on some people because of an attribute, such as race, pregnancy, gender, disability (indirect discrimination)
- Perhaps sexual in nature or based on gender, race, disability or sexual preference.

It is expected that all MRWED personnel and course participants will comply with this policy.

The various legal acts involved in harassment and discrimination makes it an offence if a person engages in unwelcome conduct in relation to the person harassed, in circumstances in which a reasonable person, having regard to all the circumstances, would have anticipated that the person harassed, would be offended, humiliated or intimidated.

MRWED's (vicarious) liability for workplace harassment is minimised by virtue of the following enactments by MRWED:

- Establishment of an effective complaints procedure;
- A guarantee provided to treat all complaints seriously and promptly;
- Provided assurances that appropriate action will be taken to address and resolve any complaints, and
- Monitoring of the workplace / learning environment and culture.

Any concerns or complaints relating to harassment should be directed through the appropriate channels outlined in section 8 Appeals and Complaints.

3.5 Records management and document control

MRWED uses various AVETMISS-compliant databases to maintain up-to-date and accurate participant records. These records include client details and contact information, fees collected and any refunds given, as well as participant details and contact information, enrolment, attendance, academic results / performance and post-course progress details.

All documentation and records are maintained in a readily identifiable and retrievable format, using suitable facilities to recognise deterioration and damage and therefore the prevention of loss. Backup of media is conducted on a regular basis and held in a secure location.

Document control involves both hardcopy and electronic media. All documents carry a version number, date and document owner.

3.6 Storage / record retention

MRWED is committed to the safeguarding of all MRWED files and records, in particular, participant records. Electronic records, including participant files, are secured and regularly backed up. Hard copy participant files, whether current or archived, are kept in secure premises, accessible only by authorised MRWED personnel. A participant may access their personal records at any time under MRWED supervision.

Full hard copy participant files are retained for a period of 6 months after the participant has completed or withdrawn from their course. At this point, soft copies of the participants record of attainment of units of competency and qualifications will be kept for a period of 30 years after the participant has completed or withdrawn from their course.

3.7 Privacy Policy

The definition of “personal information” is found in Section 6(1) of the Privacy Act 1988: *“personal information means information or an opinion, whether true or not, and whether recorded in a material form or not, about an individual whose identity is apparent, or can reasonably be ascertained, from the information or opinion.”*

In compliance with statutory requirements, MRWED Training and Assessment gathers personal information to maintain accurate records on participant details undertaking study with us. The confidentiality of participant information and records is maintained at all times. MRWED ensures that, except as required under ASQA data reporting (Data Provision Requirement (DPR) 7 of the Data Provision Requirements 2012) or by law, information about MRWED personnel and participants will not be disclosed to a third party without their appropriate written permission.

MRWED recognises, at times, participants’ records may need to be released to relevant government departments for the purpose of participant and/or provider monitoring and audit. Participants are informed of this requirement prior to enrolment with MRWED, and their signed declaration of their knowledge of this requirement is retained on file (i.e. Participant Enrolment Form within participant file).

As a participant on a course with MRWED Training and Assessment, the participant at all times will have access to their current records, and personal information.

3.8 Media consent

By registering for an event, you agree that MRWED may take photographs and film footage of you at the event and may use the photographs and/or film footage for MRWED promotional and/or commercial purposes, including for use on the MRWED website or social media sites. You agree that filmed material may be reproduced for those purposes, as film, audio or written quotation.

The photographs and footage will be used by MRWED only and will not be released to any external parties. You accept the risk that photographs and/or film footage of you may be lifted off the MRWED website or taken from a MRWED brochure or other publication, and reproduced on Facebook or other web sites or elsewhere, or otherwise communicated or made available to the public or sections.

Should you not wish to have your photo used in any MRWED marketing material or published on our websites please contact the Client Services Manager via phone 1800287246 or email contactus@mrwed.edu.au

4. ENROLMENTS, FEES AND REFUND POLICIES

MRWED Training and Assessment is committed to delivering the highest quality training and assessment services at competitive pricing. We have adopted the following policies so that we can maintain competitive pricing for all MRWED participants.

4.1 Unique Student Identifier

From 1 January 2015 if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI).

Your USI will be made up of a combination of 10 letters and numbers. For example: 3AW88YH9U5.

A USI account will contain all your nationally recognised training records and results from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

You can access your USI account online from a computer, tablet or smart phone anywhere and anytime. For more information on your USI you can visit

<http://www.industry.gov.au/skills/RegulationReformsAndInitiatives/UniqueStudentIdentifierForVET/Pages/default.aspx>

Do you need a USI?

You will need a USI when you enrol or re-enrol in training from 1 January 2015 if you are a:

- student enrolling in nationally recognised training for the first time, for example if you are studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course;
- school student completing nationally recognised training; or
- student continuing with nationally recognised training.

Once you create your USI you will need to give your USI to each training organisation you study with so your training outcomes can be linked and you will be able to:

- view and update your details in your USI account;
- give your training organisation permission to view and/or update your USI account;
- give your training organisation view access to your transcript;
- control access to your transcript; and
- view online and download your training records and results in the form of a transcript which will help you with job applications and enrolment in further training.

If you are an international, overseas or an offshore student please visit usi.gov.au for more information.

How to get a USI

It is free and easy for you to create your own USI online.

How to create your USI

The following steps show how you can create a USI:

Have at least one and preferably two forms of ID ready from the list below:

- Driver's License
- Medicare Card
- Australian Passport

Go to <https://www.usi.gov.au> and select 'Create my USI' from the Student category list and follow the prompts.

IMPORTANT: To make sure all of your training records are kept together, the USI will be linked to your name as it appears on the form of ID you used to create the USI. The personal details entered when you create a USI must match exactly with those on your form of ID. If you do not have proof of ID from the list above, you can contact your training organisation about the other forms of ID they can accept to help you get a USI.

4.2 Application and enrolment

Before students are formally enrolled into a MRWED course under the TAE Training Package, they must first complete the application process. Once the application has been reviewed and approved, applicants will be emailed a copy of their Learning Journey which encases the information relevant to the Learning Journey along with a MRWED Course Acceptance Letter. The MRWED Course Acceptance Letter is to be completed, signed and dated by the applicant to confirm their agreeance to the Learning Journey and the relevant Terms and Conditions aligning with their chosen program. If an applicant's employer is funding the program, an authorised contact from the organisation must also sign and date the MRWED Course Acceptance Letter to confirm that MRWED can invoice the organisation for the course fees detailed in the Learning Journey.

Upon return of the completed MRWED Course Acceptance Letter, the Client Services Team will process the enrolment where the student will then be sent all relevant confirmation emails for their chosen training. Face to Face students will receive a Course Commencement Letter detailing their training schedule, along with access to their MRWED Online account to complete their assessment tasks. Students undertaking training entirely via Self-paced online learning or via Facilitator-led online learning will be sent access to their MRWED Online account when their enrolment has been processed.

Those applying for Recognition of Prior Learning (RPL) as part of their Learning Journey are encouraged to submit their portfolio of evidence for assessment once their MRWED Course Acceptance Letter has been processed. Those applying for full RPL who are not anticipating any need for gap training, will be emailed a Student Commencement Letter upon processing their enrolment which invites them to submit their portfolio of evidence if they have not done so already.

Student enrolments coordinated under a company arrangement may have their progress and completion reported to their employer when the employee has completed and signed a “Third Party Release of Information” form.

MRWED may offer qualifications that do not fall under the TAE Training Package and therefore are not required to complete this Application process prior to enrolment into the course.

4.3 Invoicing and Payments

Invoices are raised when the application and enrolment process is finalised as detailed in section 4.2 and will be sent to the appropriate recipient over-night.

Self-funding student’s fees that are less than \$1,500 are due 7 days after invoice. Self-funding student’s fees that exceed \$1,500 are due in two instalments, the first instalment is due 7 days after invoice with the second instalment due 90 days after invoice.

Students wishing to spread their studies over a longer time period or who only need to complete part of a qualification, may apply for individual Units or Clusters. The cost of completing an entire qualification by this method is greater than an application for a full course.

Businesses, agencies and Government Departments will be offered payment terms of 30 days from date of invoice, unless a separate Agreement has been made with MRWED Training and Assessment. Fees are due in full with no instalments available.

Failure to make payment by due dates may result in:

- Removal of student’s access to online training system
- Cancellation of student’s scheduled Face-to-Face Training
- Cancellation of enrolment and non-issuance of qualification

4.4 Payment Plan

Payment plans are available to spread the cost of training for approved, self-funded students over three, six or twelve months, depending on the course duration and amount of tuition fees. There are no additional fees or interest charges for the establishment and maintenance of these payment plans. Students are encouraged to request a payment plan at the time of application; however, these can be entered into at a later date should circumstances change.

Late and missed payments may result in the following:

- Withdrawal of the payment plan facility
- suspension of enrolment
- restricted access to course materials and assessments
- ineligibility to access future payment plans
- full payment of outstanding balance maybe required to re-instate enrolment.

4.5 Participant Changes

MRWED understands that because of the dynamics of business and work environments work roles sometimes change and an organisation might want to change the staff member who is participating in a MRWED course after their staff member has submitted their application. A written request to MRWED identifying a change in the name of the participant being enrolled is permitted without any additional fees being incurred if it meets the following 2 conditions:

- The request is made before the commencement of any training.
- The request is made within six months of the original student's application.

Additionally, a completed Application Form for the replacement participant will need to be submitted at the time the substitution is requested and they must finalise the full application process before commencing training.

4.6 Course Changes

MRWED understands that because of changing work obligations, health problems, and other reasons our participants sometimes need to make changes to their planned course of study. Such changes might include changing enrolment from online to a face-to-face course or changing the date they will attend a face-to-face course. If a participant wishes to change their course delivery method or their course date, then they need to advise MRWED via email so there is written record of the request.

The MRWED full course fees are designed to be all inclusive, therefore changes to a participant's course of study or method of study to a lesser or same value will not incur any additional fees.

If a participant is changing their enrolment to a course with a higher course cost than the course fees they originally paid, they will be charged the difference in price. Alternatively, if they change to a course which has a lower price a participant may be entitled to a refund of the difference.

MRWED asks that Face to Face participants notify of any impending changes to their schedule 5 business days before they are scheduled to attend. Changes and non-attendance without 5 business days notification may attract a \$50 administration fee.

4.7 Cancellations and Refunds

If an enrolment is cancelled in writing within 10 days of returning the MRWED Course Acceptance Letter, a full refund and/or cancellation of any outstanding invoices will be provided. If Face to face Training is attended during these 10 days, then a fee equal to the value of the training commenced will be due.

If an enrolment is cancelled in writing within the first 90 days following the return of the MRWED Course Acceptance Letter, a cancellation fee equal to 50% of the overall course fees is payable. The remaining 50% is eligible to be refunded. If a student has not commenced any online or Face to Face Training within these first 90 days, then this cancellation fee will be reduced to 20% of the total course fees.

If an enrolment is cancelled after 90 days following the return of the MRWED Course Acceptance Letter, no refund is payable. The participant is welcome to submit a new course application at another time but will be required to pay full price.

If a student applies for Recognised Prior Learning (RPL) and is unsuccessful then a full refund will be given. Alternatively, students may allocate any RPL fees paid against Training fees if they wish to

transfer their enrolment from RPL to Training. Any refunds granted will take up to 30 business days to process.

4.8 Late Payments

Unless there are conflicting contractual arrangements in place with MRWED, MRWED reserves the right to apply a penalty fee equal to 5% of the invoiced amount outstanding for invoices that remain unpaid 30 days after an invoice due date. Requests for extensions to due date may also incur the Late Payment Fee.

4.9 Corporate Accounts

Customers with numerous students/invoices will need to keep their account payments up to date. MRWED will only issue qualifications, statements of results or statements of attainment when a Customer's Account is not overdue. Students will not be considered as ready for issuance unless all payments are up to date (even if their particular invoice has been paid). Overdue accounts may also result in removal of students from the MRWED online system.

4.10 Issuance

A participant will not be issued with a qualification and statement of results or a statement of attainment (whichever is applicable) until full payment (including any penalty fees for late payment) has been received. Under no circumstances can fees be refunded after a participant has been issued with a Qualification and Statement of Results or Statement of Attainment.

4.11 Enrolment duration

For the Certificate IV in Training and Assessment, TAE Skill Set, or any individual Unit of Competency, MRWED students have up to twelve (12) months. For the Diploma of Vocational Education and Training and/or the Diploma of Training Design and Development, students will be provided twenty-four (24) months to complete their assessments. The enrolment duration is calculated from the date provided on the students' Learning Journey document.

4.12 Enrolment expiry

On expiry of the enrolment duration, MRWED students will be issued a Statement of Attainment for completed unit/s. Where appropriate under the qualification rules MRWED students will be provided a discounted re-enrolment option should they wish to continue their studies. Eligible re-enrolling students will be granted a new enrolment duration of either twelve (12) months for Certificate IV in Training and Assessment, TAE Skill Set or any individual Unit of Competency, or twenty-four (24) months for the Diploma of Vocational Education and Training and/or the Diploma of Training Design and Development Diploma in which to complete their studies.

4.13 Extension requests

MRWED participants are enthusiastically encouraged to ask for help whenever required by calling FREE CALL 1800 2 TRAIN (1800 2 87246) or emailing submit@mrwed.edu.au and asking to speak with a member of the MRWED Learner Success Team. If there has been a change in their personal circumstances and a participant feels that they will be unable to complete their assessments within their enrolment period, the participant should contact MRWED by email as early as possible and apply for an extension. Where extensions are granted, the participant may be required to submit additional assessment tasks in order to demonstrate currency with the course content prior to completion of the Unit/s of Competency.

6.2 Appeals and complaints

If at any time during your study at MRWED you are dissatisfied with any academic decision, procedures or any issues that directly relate to the successful completion of your program, you can access the organisation's complaints and appeals processes by contacting our Administration on FREE CALL 1800 2 TRAIN (1800 2 87246). Any participant who feels that they have been disadvantaged in their studies by such a decision, procedure or issue, shall be entitled to have these reviewed by the CEO. The characteristics of the MRWED appeal system include simplicity, speed and fairness, and incorporate a four-stage process involving the MRWED Team Member initially, then a member of the MRWED Management Team, the CEO, and finally an independent person or panel where necessary. Participants shall have 21 days to lodge an appeal after an assessment decision is sent to the participant regarding any Unit of Competency or Qualification.

8. DISCIPLINARY PROCEDURES

MRWED has systems and processes in place to manage and deal with any disciplinary matters relating to instances of misconduct whilst studying with us. A certain standard of behaviour is requested of all staff and participants and the trainer reserves the right to ask any participant to leave a program or session if their behaviour puts others at risk or adversely impacts on the learning of others. This policy applies when other avenues have been exhausted. These avenues include, but are not limited to mentoring, informal feedback and counselling.

9. ISSUING OF QUALIFICATIONS AND STATEMENTS OF ATTAINMENT

MRWED will only issue AQF Qualifications and Statements of Attainment for courses within its scope of registration.

On completion of a course, participants are to be issued with appropriate certification, authorised by the CEO, or an appropriately delegated MRWED staff member, within 21 days. MRWED is not obliged to issue a participant's Qualification or Statement of Attainment unless all client / participant fees have been paid in full.

As a MRWED participant if for any reason you need a copy of either at a later stage, you may contact MRWED to request this. Please note that there will be a \$40.00 reissuance fee to cover the administrative costs.

NOTE FOR INTERNATIONAL STUDENTS: International students who request a printed copy of either their Statement of Attainment or Testamur will be required to pay for the cost of International postage. Please feel free to contact the Client Services Team for more information.

9.1 Recognition of qualifications issued by other RTOs

MRWED recognises the "Recognition of Qualifications" issued by other RTOs is a fundamental principle of the National Training Framework. As a Registered Training Organisation, MRWED is obliged to:

- Recognise AQF Qualifications and/or Statements of Attainment issued by any other RTO in Australia.

If you have undertaken training with another RTO, and you believe you are eligible to obtain credit for this in the MRWED course you have enrolled into, or are intending to enrol into, please either discuss this with your trainer or contact MRWED to discuss.
