Assessor Skill Set

Course Overview

The Assessor Skill Set (TAESS00019) provides the necessary skills and knowledge for people to conduct assessment and operate without supervision in the vocational education and training (VET) sector, in accordance with the Standards for RTOs. In this Skill Set, participants will analyse and use nationally recognised training products as the basis for planning, preparing for and conducting competency-based assessment.

Key Outcomes

- Plan and prepare for assessment
- Use nationally recognised training products for the basis of assessment
- Customise the assessment process
- Collect evidence and make assessment judgements
- Validate assessment.

Career Opportunities

- Workplace Assessor
- RTO Assessor
- Lead Assessor
- Assessment Developer

Mode of Delivery

- Face to face in one of our national training and assessment centres or as part of a customised on-site corporate program.
- Online using the aNewspring learning management system and supported by our dedicated MRWED Learner Success Team.
- Recognition of Prior Learning for experienced trainers and assessors who have evidence to support their current competence in the relevant units of competency which comprise the qualification.

Course Structure

There are three (3) units of competency in the Assessor Skill Set:

- TAEASS412 Assess competence
- TAEASS413 Participate in assessment validation
- TAEDES411 Use nationally recognised training products to meet vocational needs

These units provide credit towards the **TAE40122 Certificate IV in Training and Assessment**

Assessment

The assessment in this qualification involves a variety of workbook activities, practical tasks, presentations, reflective tasks and project work. Participants are supported with regular mentoring and tutorial options throughout their journey.
