Facilitation Skill Set

Course Overview

The Facilitation Skill Set (TAESS00021) provides the necessary skills and knowledge for people facilitating training under supervision in the vocational education and training (VET) sector, who deliver via a face-to-face and in-person delivery model. In this Skill Set, participants will advance their design and delivery skills by using a nationally recognised training product, or similar standard, as the basis for planning, preparing, and facilitating face-to-face vocational training.

Key Outcomes

- Plan for vocational training
- Develop session plans
- Deliver face-to-face training
- Customise vocational training
- Support individual and group learning
- Review training practice.

Career Opportunities

- Enterprise Trainer
- Workplace Assessor
- Workshop Facilitator
- Mentor/Coach

Mode of Delivery

- Face to face in one of our national training and assessment centres or as part of a customised on-site corporate program.
- Online using the aNewspring learning management system and supported by our dedicated MRWED Learner Success Team.
- Recognition of Prior Learning for experienced trainers and assessors who have evidence to support their current competence in the relevant units of competency which comprise the qualification.

Course Structure

There are two (2) units of competency in the Facilitation Skill Set:

- TAEDES412 Design and develop plans for vocational training
- TAEDES411 Facilitate vocational training

These units provide credit towards the **TAE40122 Certificate IV in Training and Assessment**

Assessment

The assessment in this qualification involves a variety of workbook activities, practical tasks, presentations, reflective tasks and project work. Participants are supported with regular mentoring and tutorial options throughout their journey.
